PODCAST EPISODE

# Artificial Intelligence – intelligent for whom?

Future Ready

Mar 2018 · 22 min

## Episode Description

In this episode we talk about artificial intelligence, and what it means for Australian businesses. We examine why it is getting so much attention now, and where its benefits and limitations lie. Guests include global AI authority and author of the new book *It's Alive*, UNSW and Data61's Professor Toby Walsh, and Marie Johnson, Managing Director and Chief Digital officer at the Centre for Digital Business, who was the co-creator of Nadia, an AI powered digital human built for the National Disability Insurance Agency.
